Summer is here!

RED RIBBON RIDE —

The fifth annual **Minnesota Red Ribbon Ride** will take place July 17-20. The Aliveness Project is one of seven benefiting AIDS service organizations, including African American AIDS Task Force, Clare Housing, Hope House of St. Croix Valley, Minnesota AIDS Project, Park House and Rural AIDS Action Network. Last year's Ride raised \$650,000 and this year's goal is \$700,000.

Team Aliveness has twelve riders and four crew members, including:

Ryan Allen
Johnny Anderson
Sean Divine
Dan Gerard
Peter Hall
Johnny Herda-Anzaldo
Paul Huntington
Kim Langness (crew)
Tara Loftus
Jeff Luedtke
Joseph Menkevich (crew)
Andy Momont
Judy Ratliff (crew)
Dara Rudick
Bonnie Sainio (crew)
Terry Sainio

Team Aliveness has already raised over \$14,000! To make a pledge to support one or more of these committed volunteers, go to www.redribbonride.org.

On the last night of the Ride, we will have a very special speaker for the Friends and Family Night program in Northfield. Jeanne White has agreed to talk about the life and journey of her son, Ryan White. Ryan played a pivotal role in the early years of the AIDS epidemic when he spoke out after being expelled from his school for having AIDS. He spent the rest of his life fighting for the rights of persons living with HIV/AIDS. Please join us on Saturday, July 19 at 7:00 PM, at Northfield Middle School Auditorium, for what is sure to be an inspirational evening!

You also can show appreciation to this year's riders and crew by attending Closing Ceremonies on Sunday, July 20 at 1:30 PM at the State Capitol Mall steps. Come and cheer them on the final leg of their journey in support of services for people living with HIV/AIDS!

volunteer spotlight

This Aliveness's "Volunteer Spotlight" shines on our proud front desk receptionist, Robert O. Lee, Jr. Robert feels his kind demeanor makes him well suited for the position of greeting everyone who

comes through the doors of The Aliveness Project—members, volunteers, visitors and staff alike.

Meet Maria Boland

Congratulations, Tim Marburger

In June, Tim Marburger, Director of Fundraising and Special Events at The Aliveness Project, was the recipient of one of Lavender Magazine's annual PRIDE (People Rallying Individuality, Diversity, and Equality) Awards.

The awards are given to the most dedicated individuals or organizations that have gone above and beyond in supporting the GLBT community.

The Aliveline is a bi-monthly publication of The Aliveness Project, Inc. The Aliveness Project is a 501(c)(3) nonprofit organization, founded in 1985 as a membership organization for individuals living with HIV/AIDS. This newsletter may report on experimental and other therapies; however, The Aliveness Project does not recommend any particular therapy. Please consult with your medical provider before trying any new treatment. Views and opinions expressed in this publication are those of the contributing authors and are not necessarily those of The Aliveness Project.

Make Sure Your HIV Care is the Best it can Be

With the start of summer, The Aliveness Project will be sponsoring a three-part program on **"Making Sure Your HIV Care Is the Best It Can Be"** throughout the coming year.

Todd A. Hagedorn has been hired as the Health and Wellness Coordinator along with Coliss Zawistowski as the Health and Wellness Peer Coordinator to facilitate this program to all persons living with HIV/AIDS.

The program is designed to create personal ownership in one's HIV care and treatment. This program will allow participants to express the feelings, concerns, and experiences they have personally had with their health care provider in a safe, respectful environment.

The program is designed to meet in three two-hour sessions, and will be offered at different times each month through the year so everyone living with HIV/AIDS has an opportunity to participate.

Participants do not have to be a member of The Aliveness Project; *all persons are welcome*. There will also be a specialized program for women living with HIV/AIDS, for issues or concerns that may arise with their medical care issues.

Should you have any further questions, please contact Todd Hagedorn at 612-822-7946, ext. 214 or wellness@aliveness.org. To sign up for the program, please call The Aliveness Project at 612-822-7946 and speak with the receptionist.

Todd Hagedorn (middle) is The Aliveness Project's new Health & Wellness Coordinator.

THANKS, TEAM ALIVENESS!

Reaching Out to Immigrants

INTRODUCING MARIA BOLAND, IMMIGRANT OUTREACH WORKER

My name is Maria Boland and I am The Aliveness Project's summer intern, thanks to the Partners Internship Program (PIP) with the Higher Education Consortium for Urban Affairs (HECUA). Each year, 20 nonprofit organizations are chosen to receive summer intern grants and 20 undergraduate students are then hired to work on creative projects designed by the nonprofits. According to PIP, the aim of the summer internship program is to advance the nonprofit sector while benefiting communities and students alike.

The project I was hired to work on here at The Aliveness Project is an immigrant outreach initiative. This project was born out of the fact that Latino and African-born immigrants are disproportionately affected by the HIV/AIDS epidemic in the state of Minnesota. According to the Minnesota Department of Health, the Latino population, which forms only 3% of the total state population, constitutes 12% of the new HIV cases. The African-born population, which is only 1% of the total population, constitutes a full

15% of the new HIV cases. I am working trying to connect the Latino and African-born persons living with HIV/AIDS in the Twin Cities with The Aliveness Project and all of the wonderful services it offers.

“

I am working trying to connect the Latino and African-born persons living with HIV/AIDS in the Twin Cities with The Aliveness Project.

”

This project will take a three-fold approach: first, assessing the needs of the community by means of surveys and focus groups. Second, we will be building partnerships with local agencies, clinics, and community centers servicing the Latino and African-born communities. Thirdly, I hope to work on educational initiatives to curb the stigma associated with HIV/AIDS in the Latino and

African-born communities, and thereby hopefully contributing to a decrease in their disproportional rate of HIV/AIDS cases in Minnesota.

I am so thrilled to be working with everyone here at the Aliveness Project this summer. If you would like more information on the HECUA project, feel free to e-mail me at intern@aliveness.org or call me at 612-822-7946, ext. 207.

Proyecto de Alcanzar a los Inmigrantes

POR MARIA BOLAND

Me llamo Maria Boland y estoy trabajando como interno este verano aquí en The Aliveness Project, gracias al Partners Internship Program (PIP) con el Higher Education Consortium for Urban Affairs (HECUA). Veinte organizaciones sin fines de lucro están escogidas para recibir becas para internos del verano y veinte estudiantes universitarios están contratados a trabajar en proyectos creativos planeados por la organización. Según PIP, la meta del programa de internos es avanzar el sector sin fines de lucro mientras beneficiando ambas comunidades y estudiantes.

El proyecto en que estoy trabajando aquí en The Aliveness Project es un iniciativa de servicio especial de asistencia a grupos inmigrantes. El proyecto fue creado de una

preocupación de los datos recientes que dicen que los inmigrantes Latinos y los inmigrantes nacidos en África son afectados desproporcionadamente con respecto al VIH/SIDA aquí en Minnesota. Según el Departamento de Salud de Minnesota, la población Latino, que se compone 3% de la población total del estado, constituye 12% de los nuevos casos del VIH/SIDA. La población nacido en África, la cual solamente se compone 1% de la población total de Minnesota, constituye un 15% de los nuevos casos del VIH. Estoy trabajando para conectar las personas Latinos y los inmigrantes de África viviendo con VIH/SIDA en las ciudades gemelas con The Aliveness Project y todos los servicios maravillosos que ofrece.

Este proyecto desarrollará por medio de tres fases: primero, evaluar las

necesidades de la comunidad por medio de entrevistas e encuestas. Segundo, asociarse con agencias locales, clínicas, y centros comunitarios dando servicios a las comunidades Latinos y africanos. Finalmente, espero trabajar en iniciativas educativas para restringir el estigma asociado con VIH/SIDA en la comunidad Latino y africano, y por medio de eso esperanzadamente contribuir a un decrecimiento de su índice desproporcionado de los casos del VIH/SIDA en Minnesota.

Estoy tan orgullosa e animada estar aquí trabajando con todos en The Aliveness Project este verano. Si quieres más información sobre el proyecto de HECUA, mándame un correo a intern@aliveness.org, o llámame a 612-822-7946, extensión 207.

Picnic and Pet Clinic Updates

FROM MEMBERSHIP SERVICES DIRECTOR JOHNNY HERDA-ANZALDO

Hey everyone, I hope your summer is going great. We have an **HIV Community Picnic** coming up! The date is Friday, August 1 from 12:00 noon until 3:00 PM at Minnehaha Park, Wabun Shelter B. There is a map included below and there will be maps handed out in every food shelf distribution, as well as available at the front desk here at The Aliveness Project. Don't forget to call or come in to sign up at the front desk. We will need to know how much food to prepare. There will be grilled burgers, hot dogs, brats, and lots of other food, water balloon contests, games, and prizes. Bring the family and friends! *Everyone is welcome.* For more information, see our flyer or give me a call at 612-822-7946, ext. 202.

Our next **Pet Clinic** will be on Saturday, August 2, from 1:30 to 3:00 PM. Doctors Jennifer Quast, Heidi Magnuson, and Sarah Wilcox, along with other staff from Inver Grove Heights Animal Hospital, will be here to see three members at a time. Call the front desk to schedule an appointment. Appointments will not be available for booking until

Monday, July 21. Members can bring two pets each. Before setting up an appointment, please contact me to check your pet's record to see which vaccinations are due and when.

Please do not forget that appointments last only 15 minutes. If you are late for your appointment, you will be marked as having missed that appointment. Members that were not able to get an appointment, but need to have their animal seen, can come in and stand by. If a member does not show up at their scheduled time, the member standing by receives that appointment. If you plan to come in as a stand-by, it is best to be here at exactly 1:30 PM. However, please call to cancel if you cannot make your appointment. Cancellations must be made no later than the previous Thursday, so that we can fill the appointment. I look forward to seeing all of you and your pets. It is always a fun day.

Volunteer Spotlight on Robert Lee

Robert can usually be found at the front desk on Friday afternoons, but he is always game to fill in when a shift suddenly opens.

A native of St. Louis, Missouri, Robert decided to move to Minnesota in 2003 to receive better healthcare than he was able to receive back home. He has four younger siblings and he dislikes being far away from his “beautiful family”.

To keep busy when not at The Aliveness Project he loves to read, watch game shows, and each weekend a new stack of DVDs awaits him. Robert does not much enjoy our cold winters, but he also doesn't let them bother him too much. He loves the opportunity to give back to our HIV/AIDS community via his service and he likes being able to help as many people as he can. His strong Christian faith and his strong rooted family also are substantial motivation for his volunteerism.

Robert highly encourages others to volunteer because, “It's the best thing you can do to help someone out. Plus, you never know when you might need some help, too...”

Thank you, Robert, for your hard work!

Save Those Paper Bags!

We are always looking for ways to stretch our Food Shelf budget so if you want to help, there are two small things you can do.

Most businesses look for ways to lower their paper costs, which are usually very high. If you think about it, when you shop, your purchases are either in boxes, sometimes wrapped in paper, and almost always in paper bags. We know that a lot of our Food Shelf recipients use public transportation, so we pack food shelf items in two double bags because paper handles don't always hold up.

Normally, our Food Shelf Program purchases those bags in bales of 400, so one bale covers 100 appointments. We average 175 or more appointments a month, so we are asking people to recycle their tall paper handle bags to the Food Shelf. We prefer Rainbow Foods bags because other stores' bags are too short. Yarn handle bags work well also.

Thanks to those who are already donating bags--it really makes an impact! We then can use those savings to buy more food!

Members, you can also help by giving back any items that you either cannot use, do not like, or just have too much of, such as shampoo or canned corn...you get the idea! You can go through your bags in the food shelf (if we aren't too busy at the time) or go through them at home and bring back anything you cannot use on your next trip to Aliveness.

These are two simple things you can do to help us stretch our budget as far as we can. In the meantime, we will see you at The Project.

The mission of The Aliveness Project is to encourage self-empowerment and provide direct services to individuals living with HIV/AIDS.
