2010 Annual Report
The Aliveness Project

*Celebrating 25 years of making a
positive impact in our community!*

We celebrate 25 years!

Founded in 1985, The Aliveness Project was originally born from a community in need.

Over the past 25 years, our mission remains clear and purposeful: to encourage self-empowerment and provide direct services for persons living with HIV/AIDS.

The Aliveness Project is proud of the assistance provided by our community and is committed to providing a critical lifeline for those affected by HIV/AIDS.

Our services give valuable assistance for those coping and living with HIV—whether it is just being able to talk with another person living with the disease, eating a hot meal, receiving a massage, picking up food shelf groceries, attending an educational session, talking with a case manager, bringing a pet for vaccinations or opening gifts from a holiday basket.

We continue to raise the funds needed to renovate our new building and we hope to make the move to 3808 Nicollet Avenue sometime in the near future. Your support will make this a reality!

The Aliveness Project is a vital and much-needed place that positively impacts the lives of so many individuals and families each day and will continue to do so in years to come!

The Aliveness Project depends on support we receive from people like you—the time you spend volunteering, your participation in fundraising events and your generous financial gifts.

We thank you for your ongoing love and caring for those living with HIV/AIDS and for helping us to make a positive impact in their lives!

I am Mario, and I'm positive.

Thanks to The Aliveness Project, I have been able to work on my academic goals, eat nutritious meals and access medical care. I have met many others living with HIV, which has helped me to emotionally assimilate the fact that I am not alone.

Since 1985, The Aliveness Project has served a growing number of individuals living with HIV/AIDS. In 2010, we added 210 new members—an average of 4 individuals per week.

Last year, 1,583 members used our services—twice as many as in 2000. We serve individuals and their families affected by HIV/AIDS throughout Minnesota. The demographics of our members closely mirror the HIV epidemic in our state.

I am Joan, and I'm positive.

I have volunteered with the Meal Program. The Aliveness Project has helped me get in touch with others like myself. I have also been able to get more involved in the HIV community. There is no shame or stigma at The Aliveness Project!

I am Dan and I'm positive.

The Aliveness Project is a wonderful place for people living with HIV/AIDS. They can help you find a doctor, housing, great food, alternative therapies and so much more....

I have seen individuals come here quiet and shy, and then are transformed into happy, outgoing people. They go on to develop friendships and volunteer many hours. The Aliveness Project is a magical and loving place.

Thirty years ago, the first cases of AIDS were reported in the United States on June 5, 1981.

Since that time, more than 1.7 million people in the U.S. have been infected with HIV. That number includes more than 600,000 who have died and 1.1 million Americans currently living with HIV/AIDS.

The Centers for Disease Control and Prevention (CDC) estimates that 56,300 people are newly infected with HIV each year. Based on these numbers, someone is infected with HIV every 9½ minutes. One in five (21%) of these individuals do not know that they are HIV positive.

Despite new therapies, people with HIV still develop AIDS. More than 18,000 people with AIDS die each year in the United States.

In Minnesota, there were 6,814 individuals living with HIV/AIDS at the end of 2010. This is nearly 3,000 more people than 10 years ago.

Last year, 331 new cases of HIV/AIDS were reported in Minnesota. While this number had remained close to 300 per year during the past decade, it has increased in the past three years, particularly in 2009.

Here are some additional facts:

- While teenagers and young adults (ages 13-24) represent a small percentage of living cases (4%), they make up an increasing proportion of new cases, from 11% in 2002 to 24% in 2010.
- During the past few years, 31% of new cases have been “late-testers” (defined as testing HIV positive within one year of an AIDS diagnosis), with higher rates among people of color and immigrants. This trend represents the need for both prevention and medical care.
- In 2010, persons 50 and older made up 32% of people living with HIV, compared to 16% in 2002 (due in large part to improved medical treatments).
- There are more Minnesotans living with HIV than ever before and, as a result, more people need the programs offered by The Aliveness Project. Last year, one in four Minnesotans living with HIV/AIDS used our services.

I am Preston, and I'm positive.

The Aliveness Project has helped
me and my lover through the
good times and the bad times.

I am Cornell, and I'm positive.
It's a community of family.

I am Jonathan, and I'm a volunteer.

Through my ups and downs, The Aliveness Project has given invaluable consistency to my life when I needed a place to give.

If you are looking for an organization that provides an element of caring in its services, The Aliveness Project is the place for a second home.

Volunteer Services

Our Volunteer Program is truly the heart of The Aliveness Project. Last year, 1,431 individuals served as volunteers—contributing over 33,000 hours of service!

- ✓ Individuals who have a personal concern for people living with HIV/AIDS
- ✓ People of all ages and residents of the Twin Cities and Greater Minnesota, as well as other states and countries
- ✓ Volunteer teams from corporations, schools, colleges and faith communities

Volunteers play a vital role at all levels of our organization, including:

- ✓ Board of Directors
- ✓ Capital Campaign
- ✓ Dining Out For Life & other events
- ✓ Food Shelf Program & food drive
- ✓ Hair cuts & pet clinics
- ✓ Holiday Basket Program
- ✓ Housekeeping & maintenance
- ✓ Integrative therapies
- ✓ Kitchen & library helpers
- ✓ Membership Advisory Committee
- ✓ Minnesota Red Ribbon Ride
- ✓ Newsletters & mailings
- ✓ Office assistants & errand drivers
- ✓ Professional consulting & speakers
- ✓ Reception desk
- ✓ Volunteer recognition event

Last year, the Independent Sector estimated an average volunteer's labor is worth \$21.36 per hour.

In 2010, our volunteers contributed more than 33,600 hours of service. The value of their work is \$717,000!

We would have to increase our budget by 73% or hire 16 full-time staff to do the work of these dedicated volunteers!

Our Volunteers

The Aliveness Project acknowledges and thanks our 2010 volunteers! Please accept our apology if we inadvertently omitted or misspelled your name!

I am Lyle, and I'm a volunteer.

I have found that as I give of my time and talent, I have received so much.

The members have shown me how to live with courage, strength, dignity and awe at what life has to offer.

I am Laurence, and I'm positive.

The Aliveness Project is a very helpful place for someone living with HIV. It's the best AIDS program I have ever known. I am able to get healthy food and it has truly kept me alive.

Capital Campaign

The Aliveness Project currently serves twice as many individuals living with HIV/AIDS as we did 10 years ago—in a building designed to serve 400.

Our organization has long since outgrown the 7,000 square foot building it purchased in 1987, located at 38th Street and Chicago Avenue in Minneapolis. The building is simply too small to serve the rapidly growing numbers of people who seek and often desperately need our services.

In June 2009, The Aliveness Project officially launched a \$2.5 million Capital Campaign for the purchase and renovation of a larger, newer space at 3808 Nicollet Avenue South, just 10 blocks west of the current site.

The organization's new home will provide substantially more programming and storage space, improved accessibility, larger food shelf and dining room, and other features that will better serve the growing number of members for many years to come.

As of December 31, 2010, approximately \$724,000 had been committed to the Capital Campaign, and a large number of potential funding sources are in the process of being approached for support.

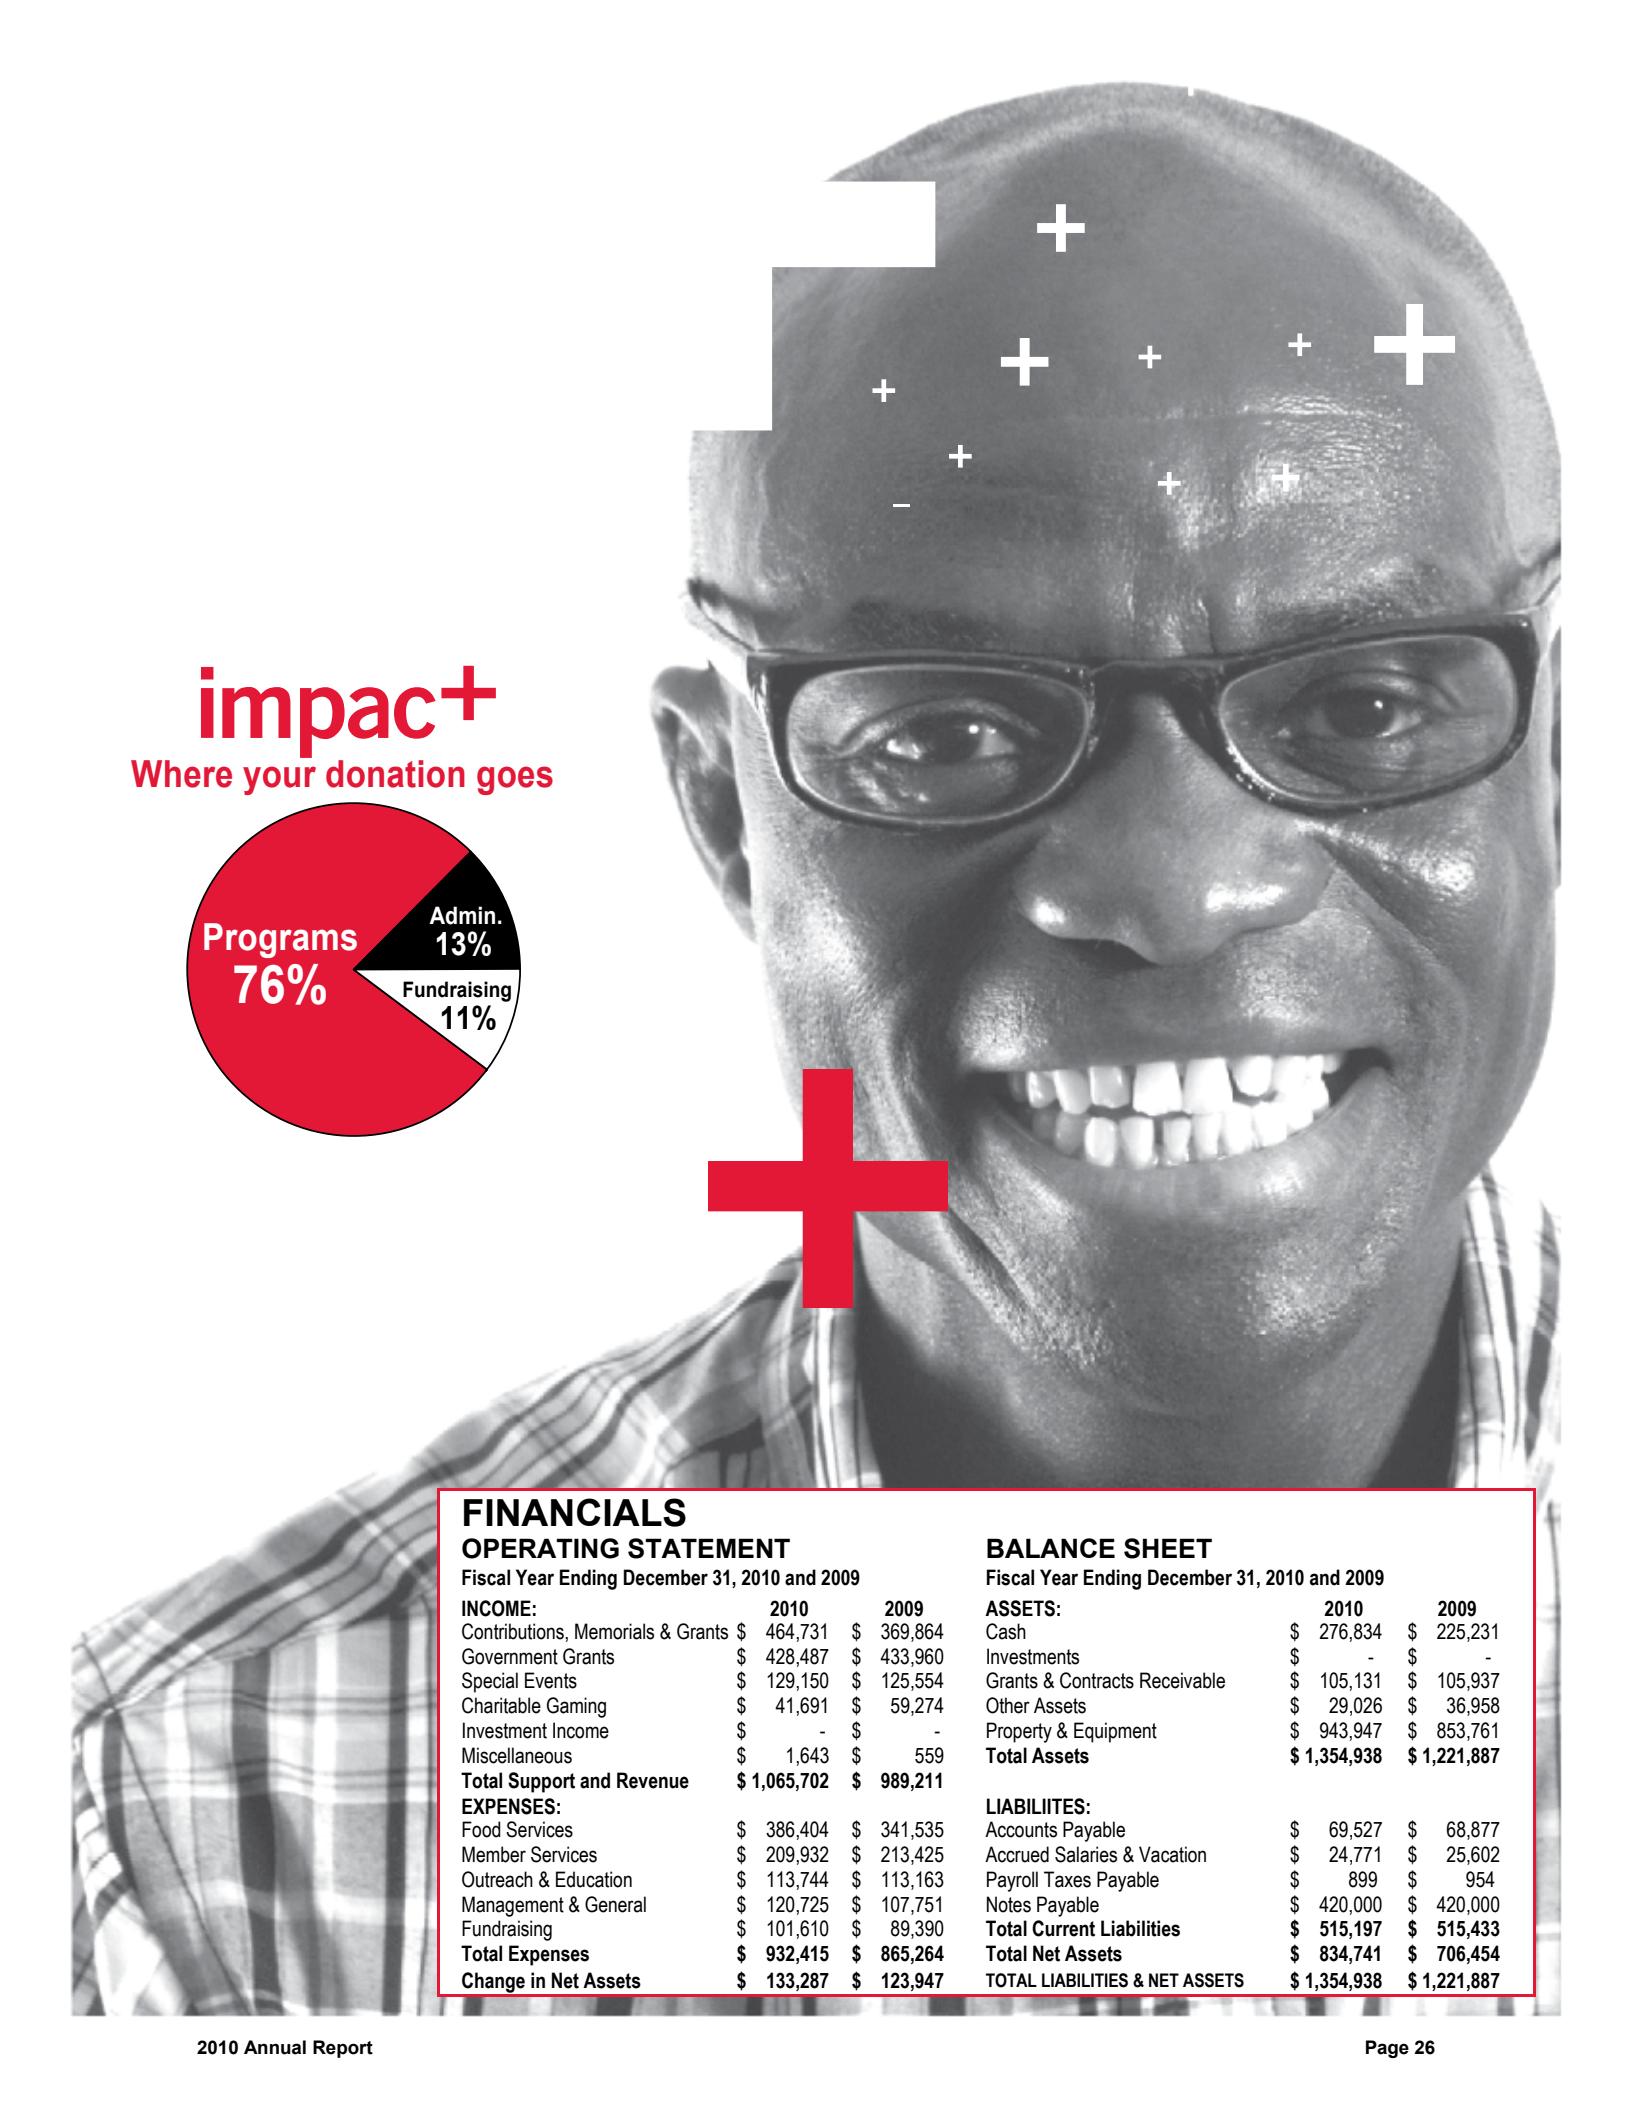

We are grateful for the continuing, effective involvement of our Capital Campaign Committee, led by Minneapolis City Councilmember Elizabeth Glidden and attorney Karl Cambronne.

Daniel Boyer, an Ameriprise financial advisor, co-chaired the campaign until his passing in June 2010. Daniel will be dearly remembered for his compassion, his dedication and his vital impact on The Aliveness Project's ability to serve.

In 2010, we received a \$50,000 challenge grant from Still Ain't Satisfied, A Foundation With Attitude. Coupled with a commitment in the same amount by our organization, a drive to "match" this \$100,000 challenge was conducted last summer, with successful completion in September.

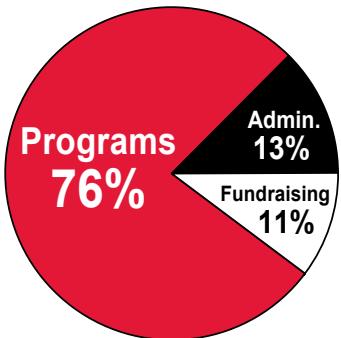

Progress toward the campaign goal continues to be steady, although slower than originally anticipated—due in large part to the economic recession during the past couple years. We anticipate that most of the funding will be committed in 2011.

Our members, staff and volunteers are patiently awaiting this new home for The Aliveness Project!
